

Sing this to the tune of Brother John

## The Hand Washing Song

Wash your hands, wash your hands  
Before you eat, before you eat  
Wash with soap and water, wash with soap and water  
Your hands are clean, you're ready to eat.

Wash your hands, wash your hands  
After toilet use, after toilet use,  
Wash with soap and water  
To keep disease aaaaaa-way.
